From the moment I was born in a small town in the Midwest, I knew I was destined for something more. I always had big dreams, but I never imagined that my journey would take me to the bright lights of Hollywood and beyond.

In this memoir, I share the story of my incredible journey from a small town girl to a successful actress, producer, and entrepreneur. I'll take you behind the scenes of my life, from my humble beginnings to my time in the spotlight. I'll share the challenges I've faced, the lessons I've learned, and the secrets to success that I've discovered along the way.

Whether you're a small town girl with big dreams or simply someone who loves a good story, I believe that my memoir will inspire you to believe in yourself and to never give up on your dreams. No matter where you come from or what obstacles you face, anything is possible if you have the courage to follow your heart.
