When a mischievous alien named Sparky crash-lands on Earth, he finds himself stranded on a strange planet filled with unfamiliar sights and sounds. With his spaceship damaged and no way to contact his home planet, Sparky must rely on the kindness of Earthlings to help him repair his vessel and return to the stars.

But Sparky's adventure is far from ordinary. As he explores Earth, he befriends two curious children named Lily and Ethan, who share his passion for science and space exploration. Together, the unlikely trio embarks on a thrilling quest to find the hidden parts of Sparky's spaceship, uncovering secrets of the galaxy along the way.

From dodging alien bounty hunters to deciphering ancient star maps, "Runaway Alien" weaves a thrilling tale of friendship, courage, and the limitless possibilities of space exploration. With its vibrant characters, action-packed plot, and educational undertones, this science fiction adventure is sure to captivate young readers from start to finish.
