Home Girl is a powerful and moving memoir by Alex Wheatle, one of the UK's most acclaimed and celebrated authors. Wheatle tells the story of his childhood in a Jamaican family in London, his experiences of racism and discrimination, and his journey to becoming a successful writer.

Wheatle was born in London in 1963 to Jamaican parents. He spent his early childhood in a council flat in Brixton, where he was often the only

black child in his class. He was subjected to racist abuse from both his classmates and teachers, and he was often made to feel like an outsider.

Despite the challenges he faced, Wheatle was determined to succeed. He left school at the age of 16 and worked a variety of jobs, including as a scaffolder and a security guard. He also began to write, and in 1993 he published his first novel, *Brixton Rock*. *Brixton Rock* was a critical and commercial success, and it won the Guardian Fiction Prize.

Since then, Wheatle has published over 20 books, including novels, short stories, and children's books. His work has been translated into over 20 languages, and he has won numerous awards, including the Whitbread Book Award and the Commonwealth Writers' Prize.

Home Girl is Wheatle's most personal book to date. In it, he tells the story of his childhood and his journey to becoming a writer. He writes about the racism and discrimination he experienced, but he also writes about the love and support of his family and friends. *Home Girl* is a powerful and moving memoir that will stay with you long after you finish reading it.
