

Maiden Voyage: The Titanic Story

On April 10, 1912, the RMS Titanic embarked on its maiden voyage from Southampton, England, to New York City. The ship was the largest and most luxurious passenger liner ever built, and its passengers included some of the wealthiest and most famous people in the world. Just four days later, the Titanic struck an iceberg and sank in the North Atlantic Ocean, killing more than 1,500 people.

The sinking of the Titanic is one of the most famous maritime disasters in history. It has been the subject of numerous books, movies, and documentaries. But what is the real story of the Titanic's maiden voyage? What caused the ship to sink? And what could have been done to prevent the disaster?

In *Maiden Voyage: The Titanic Story*, author Walter Lord tells the definitive account of the Titanic's fateful journey. Lord draws on eyewitness accounts, ship's logs, and other primary sources to provide a gripping and detailed narrative of the events leading up to and following the disaster.

Lord's book is not just a story of tragedy. It is also a story of heroism and survival. In the face of overwhelming odds, many of the Titanic's passengers and crew members displayed incredible courage and selflessness. Lord's book pays tribute to their bravery and sacrifice.

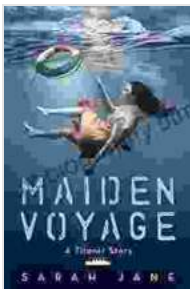

Maiden Voyage is a must-read for anyone interested in the Titanic disaster. It is a gripping and informative account of one of the most famous maritime disasters in history.
