

# Minecraft House Ideas: Simple Modern House and Survival House

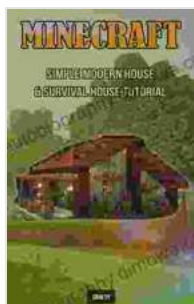

Are you looking for some inspiration for your next Minecraft house?

Whether you're a beginner or a seasoned pro, we've got you covered with our guide to simple modern houses and survival houses.

## Simple Modern House

If you're looking for a stylish and easy-to-build house, a simple modern house is a great option. These houses are typically made of glass, wood, and concrete, and they feature clean lines and open floor plans.

To build a simple modern house, start by creating a foundation out of cobblestone or stone. Then, add walls made of glass, wood, or concrete. You can use any type of roof you like, but a flat roof or a gable roof is a good option for a modern look.

Once you've built the basic structure, you can add some details to make your house more unique. You can add a deck or patio, or you can add some landscaping around the house. You can also add some furniture and decorations to make the house more comfortable.

Here are some ideas for simple modern houses:

- A small glass house with a flat roof and a deck
- A wood house with a gable roof and a stone foundation
- A concrete house with a large open floor plan and a pool

## **Survival House**

If you're looking for a house that will protect you from the elements and keep you safe from mobs, a survival house is a good option. These houses are typically made of sturdy materials like wood, stone, or brick, and they feature small windows and a strong roof.

To build a survival house, start by creating a foundation out of cobblestone or stone. Then, add walls made of wood, stone, or brick. You can use any type of roof you like, but a gable roof or a hip roof is a good option for a survival house.

Once you've built the basic structure, you can add some details to make your house more secure. You can add a door that can be locked, and you can add some windows that can be covered with shutters. You can also add some traps around the house to keep mobs away.

Here are some ideas for survival houses:

- A small wooden house with a gable roof and a stone foundation
- A stone house with a hip roof and a moat
- A brick house with a large basement and a secret entrance

Whether you're looking for a simple modern house or a survival house, we've got you covered. With our guide, you can build the perfect house for your needs.

Here are some additional tips for building a house in Minecraft:

- Use a variety of materials to create a unique look.
- Add some details to make your house more interesting.
- Protect your house from the elements and from mobs.
- Have fun!
