Have you ever dreamed of making a living using only your voice? If so, then voice acting may be the perfect career for you.

Voice acting is a rewarding and in-demand field, with opportunities in a wide range of industries, including:

- Animation
- Video games
- Commercials
- Narration
- Audiobooks

If you have a passion for performing and a great voice, then you have the potential to succeed in voice acting.

But how do you get started in voice acting? And what does it take to be successful?

In his book, *Paid To Talk: Journey Into Voice Acting*, voice actor and coach Marc Cashman provides a comprehensive guide to help you start and succeed in this exciting field.

Cashman has over 20 years of experience in the voice acting industry, and he has worked on a wide range of projects, including:

- The Simpsons
- Family Guy
- American Dad!
- Futurama
- King of the Hill

In *Paid To Talk*, Cashman shares his insights on:

- The different types of voice acting
- How to develop your voice acting skills
- How to get started in the voice acting industry
- How to market yourself as a voice actor
- How to build a successful voice acting career

Paid To Talk is an essential resource for anyone who wants to learn more about voice acting or start a career in this field.
