Don't worry, we've got you covered. Our Police Officer Exam NYC Speed Prep guide is the ultimate resource for preparing for and passing the exam. With our expert tips and practice questions, you'll be well on your way to becoming a New York City Police Officer.

## Written Exam

The written exam is the first step in the hiring process for the NYPD. The exam is divided into five sections:

- Reading comprehension
- Writing
- Math
- Current events
- Reasoning

Each section of the exam is timed, so it's important to practice answering questions quickly and accurately. Our Speed Prep guide includes hundreds of practice questions for each section of the exam, so you can get the practice you need to succeed.

### **Physical Agility Test**

The physical agility test is designed to test your strength, endurance, and agility. The test consists of six different events:

- Push-ups
- Sit-ups
- Run
- Pull-ups
- Vertical jump
- Agility run

The physical agility test is challenging, but it's important to remember that you don't have to be a professional athlete to pass. With the right training and preparation, you can pass the test and move on to the next step in the hiring process.

## **Oral Interview**

The oral interview is your chance to show the NYPD that you have the skills and qualities necessary to be a police officer. The interview will cover a variety of topics, including your experience, education, and motivation for becoming a police officer.

The oral interview can be nerve-wracking, but it's important to remember that the interviewers are just people. Be yourself, answer the questions honestly, and show them why you're the best candidate for the job.
