## Incubators

Incubators are essential for hatching poultry eggs. They provide a controlled environment with the ideal temperature and humidity levels for egg development. There are a variety of incubators available, ranging from small, manual units to large, automated machines.

- **Brinsea Products Ltd:** Brinsea offers a range of incubators suitable for both small-scale and commercial poultry breeders. Their models include the Brinsea Mini II Advance, which is ideal for hatching up to 10 eggs, and the Brinsea OvaView 560 EX, which has a capacity of 560 eggs.
- **Incubator Warehouse:** Incubator Warehouse is a leading supplier of incubators and other poultry farming equipment. They offer a wide range of models from leading manufacturers, including Janoel, R-Com, and Grumbach.
- **Poultry World:** Poultry World is another крупный supplier of incubators and poultry farming equipment. They offer a variety of models, including the Brinsea OvaView 560 EX and the Janoel 350-ECO Incubator.

## Brooders

Brooders provide a warm and protected environment for newly hatched chicks. They are typically used for the first few weeks of life, until the chicks are old enough to move to a more permanent housing.

- **Farm & Stable:** Farm & Stable offers a range of brooders suitable for both small and large flocks. Their models include the Farm & Stable 100-Chick Brooder, which is ideal for small-scale poultry keepers, and the Farm & Stable 500-Chick Brooder, which is suitable for larger flocks.

- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of brooders and other poultry farming equipment. They offer a wide range of models, including the JFC 100-Chick Brooder and the JFC 500-Chick Brooder.
- **Poultry World:** Poultry World is another крупный supplier of brooders and poultry farming equipment. They offer a variety of models, including the Farm & Stable 100-Chick Brooder and the JFC 500-Chick Brooder.

## Feeders

Feeders are used to provide poultry with food. There are a variety of feeders available, ranging from simple gravity-fed models to more sophisticated automatic feeders.

- **Chickmate Ltd:** Chickmate Ltd offers a range of feeders suitable for both small and large flocks. Their models include the Chickmate Tube Feeder, which is ideal for small-scale poultry keepers, and the Chickmate Maxi Feeder, which is suitable for larger flocks.
- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of feeders and other poultry farming equipment. They offer a wide range of models, including the JFC Tube Feeder and the JFC Maxi Feeder.
- **Poultry World:** Poultry World is another крупный supplier of feeders and poultry farming equipment. They offer a variety of models, including the Chickmate Tube Feeder and the JFC Maxi Feeder.

## Drinkers

Drinkers are used to provide poultry with water. There are a variety of drinkers available, ranging from simple gravity-fed models to more sophisticated automatic drinkers.

- **Chickmate Ltd:** Chickmate Ltd offers a range of drinkers suitable for both small and large flocks. Their models include the Chickmate Bell Drinker, which is ideal for small-scale poultry keepers, and the Chickmate Maxi Drinker, which is suitable for larger flocks.
- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of drinkers and other poultry farming equipment. They offer a wide range of models, including the JFC Bell Drinker and the JFC Maxi Drinker.
- **Poultry World:** Poultry World is another крупный supplier of drinkers and poultry farming equipment. They offer a variety of models, including the Chickmate Bell Drinker and the JFC Maxi Drinker.

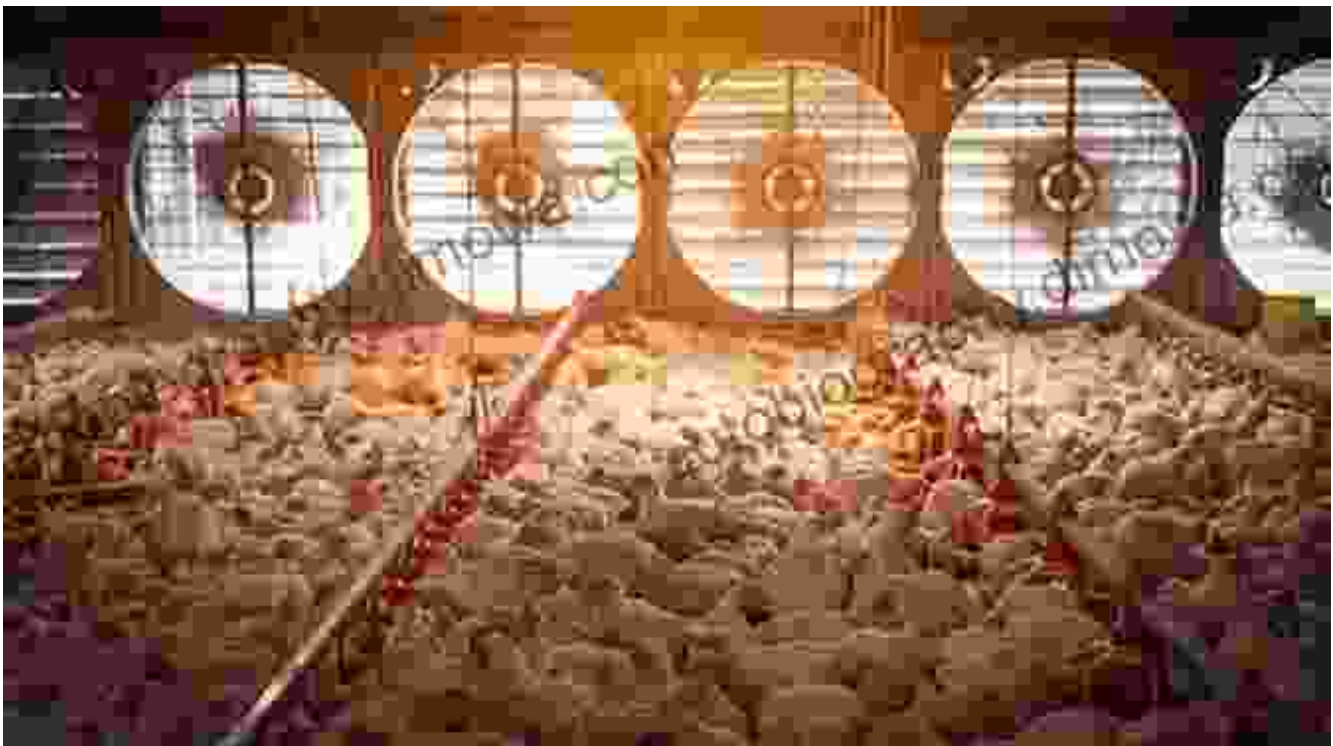

## Ventilation Systems

Ventilation systems are essential for maintaining a healthy environment for poultry. They help to remove moisture and ammonia from the air, and to circulate fresh air. There are a variety of ventilation systems available, ranging from simple natural ventilation systems to more sophisticated mechanical ventilation systems.

- **Big Dutchman Ltd:** Big Dutchman Ltd is a leading supplier of ventilation systems and other poultry farming equipment. They offer a wide range of models, including the Big Dutchman VentMaster and the Big Dutchman VentiAir.

- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of ventilation systems and other poultry farming equipment. They offer a wide range of models, including the JFC VentMaster and the JFC VentiAir.
- **Poultry World:** Poultry World is another крупный supplier of ventilation systems and poultry farming equipment. They offer a variety of models, including the Big Dutchman VentMaster and the JFC VentiAir.

## Lighting Systems

Lighting systems are essential for regulating the reproductive and growth cycles of poultry. They provide artificial lighting to supplement natural daylight, and can be used to create the desired lighting conditions for different stages of production.

- **Big Dutchman Ltd:** Big Dutchman Ltd is a leading supplier of lighting systems and other poultry farming equipment. They offer a wide range of models, including the Big Dutchman LightMaster and the Big Dutchman LightAir.
- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of lighting systems and other poultry farming equipment. They offer a wide range of models, including the JFC LightMaster and the JFC LightAir.
- **Poultry World:** Poultry World is another крупный supplier of lighting systems and poultry farming equipment. They offer a variety of models, including the Big Dutchman LightMaster and the JFC LightAir.

## **Poultry Housing**

Poultry housing is essential for providing poultry with a comfortable and protected environment. There are a variety of housing options available, ranging from simple sheds to more sophisticated poultry houses.

- **Big Dutchman Ltd:** Big Dutchman Ltd is a leading supplier of poultry housing and other poultry farming equipment. They offer a wide range of models, including the Big Dutchman Natura and the Big Dutchman AviMax.
- **JFC Poultry Equipment:** JFC Poultry Equipment is a leading supplier of poultry housing and other poultry farming equipment. They offer a wide range of models, including the JFC Natura and the JFC AviMax.
- **Poultry World:** Poultry World is another крупный supplier of poultry housing and poultry farming equipment. They offer a variety of models, including the Big Dutchman Natura and the JFC AviMax.
