On the evening of April 10, 2014, Brian Osbourn, a 32-year-old British man, was found dead in his apartment in Bangkok, Thailand. He had been stabbed multiple times in the chest and neck. The police investigation quickly uncovered a web of lies, deceit, and corruption that led to the arrest of several suspects, including Osbourn's Thai girlfriend, Anchalee Kalmapijit.

Probed is a gripping and suspenseful true crime account of the murder of Brian Osbourn. The book follows the investigation into his death, which was hampered by a lack of cooperation from the Thai authorities. Despite the challenges, the investigators were able to piece together the events leading up to Osbourn's murder and uncover the motive behind his killing.

Probed is a well-written and engrossing book that will keep you on the edge of your seat from beginning to end. It is a must-read for anyone interested in true crime, murder, and corruption.
