Unveiling the Power of Stakeholder Analysis

Stakeholder analysis, a cornerstone of effective management, involves identifying, understanding, and managing the relationships between an organisation and its stakeholders. This book delves into the intricacies of stakeholder analysis, providing a step-by-step approach that enables sport organisations to:

- Identify and prioritise key stakeholders
- Analyse their interests, influence, and potential impact
- Develop strategies for engaging and managing stakeholders
- Monitor and evaluate the effectiveness of stakeholder engagement

A Wealth of Case Studies and Expert Insights

The book is enriched with a wealth of real-world case studies that illustrate the practical application of stakeholder analysis in diverse sport organisations. These case studies offer invaluable lessons and insights into:

- Building successful partnerships with sponsors, broadcasters, and community groups
- Engaging with fan groups, athletes, and the media
- Managing the challenges of government regulations and political pressure
- Navigating the complexities of sustainability and social responsibility

Empowering Sport Organisations for Success

By embracing the principles of stakeholder analysis, sport organisations can unlock a multitude of benefits that drive success:

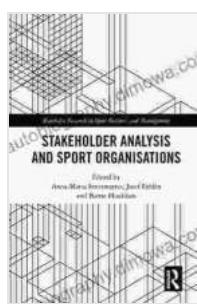

- Enhanced decision-making and strategic planning
- Improved stakeholder relationships and communication
- Increased funding opportunities and revenue streams
- Enhanced reputation and community engagement
- Long-term sustainability and growth
