Tara quickly became a valuable member of the crew. She was a great watch dog, and she loved to play with the other animals on the boat. Tara also had a knack for finding trouble. She once fell overboard, but she was quickly rescued by Bruce and Judy.

Tara's journey around the world was filled with challenges. She faced storms, rough seas, and even pirates. But through it all, she never gave up.

Tara was a true survivor, and she inspired everyone who met her.

In 2009, Tara and her companions finally completed their circumnavigation of the globe. They had sailed over 50,000 miles, and they had visited over 50 countries. Tara was the first and only dog to have ever sailed around the world with her human companions.

Tara's story is an inspiring tale of adventure, resilience, and the unbreakable bond between humans and animals. It is a story that will stay with you long after you finish reading it.
