## Or's Extraordinary Birth

The year was 1856, and the maiden voyage of the steamship "Supply" was underway from Yemen to Texas. Among the ship's cargo were several camels, intended as a gift from the Ottoman Empire to the United States

government. During the treacherous voyage across the Atlantic Ocean, a remarkable event occurred: one of the camels gave birth to a male calf.

The crew, accustomed to harsh conditions, marveled at the sight of a newborn camel amidst the stormy seas. They named him Or, an Arabic word meaning "light" or "honor." Or's birth at sea was an auspicious sign, signaling a journey filled with both promise and peril.

### **Arrival in Texas and Early Adventures**

After a long and arduous voyage, the "Supply" finally reached Galveston, Texas, in 1857. Or and his fellow camels disembarked, stepping onto the unfamiliar soil of their new home. The camels were intended to be used as pack animals in the arid regions of Texas and the American West. However, Or's destiny would take an unexpected turn.

Or's gentle nature and playful spirit endeared him to the local residents. He quickly became a fixture in Galveston, where he roamed the streets and delighted the townsfolk with his antics. Or's escapades were the talk of the town, and soon his fame spread throughout Texas.

### **Legacy as a Legend**

As Or's legend grew, so did his significance in Texas folklore. He became a symbol of resilience and adaptation, a creature that had overcome the challenges of a sea voyage and a foreign land.

Or's legacy is preserved in the Animal Legends Collection of Texas, a repository of the state's most beloved animal stories. His story continues to inspire and entertain Texans of all ages, reminding them of the unique and often extraordinary bonds between humans and animals.

## Exploring Or's Story Further

The captivating tale of Or is not only a legend but also a testament to the enduring power of historical storytelling. For those who wish to delve deeper into this fascinating chapter of Texas history, there are several resources available:

- Texas State Historical Association: Or the Camel
- Galveston.com: Or the Camel
- Or: The Camel Who Was Born at Sea by Eric Arnold

The tale of Or, the camel born at sea, is a timeless reminder of the interconnectedness of all living beings and the enduring power of stories. Or's journey from Arabia to Texas is a testament to the unexpected turns of fate and the lasting bonds that can be forged between humans and animals. Through his legacy in the Animal Legends Collection of Texas, Or continues to enchant and inspire generations, ensuring that his extraordinary story will never be forgotten.
