**The Man Michael Joe Jackson August 1958 June 2009** is a biography of the iconic pop star, written by his personal assistant, Matt Fiddes. The book tells the story of Jackson's life from his childhood in Gary, Indiana, to his rise to fame as the King of Pop, to his untimely death in 2009. Fiddes provides a unique insider's perspective on Jackson's life and career, revealing the man behind the music.

## **Childhood and early career**

Michael Joseph Jackson was born on August 29, 1958, in Gary, Indiana. He was the seventh of nine children born to Joseph and Katherine Jackson. Jackson's father was a steelworker, and his mother was a Jehovah's Witness. Jackson's family was poor, and they lived in a small house in a working-class neighborhood. Despite their financial struggles, Jackson's parents were determined to give their children a good education and a strong moral upbringing.

Jackson began singing and dancing at a young age. He joined the family band, the Jackson 5, when he was just five years old. The Jackson 5 quickly became one of the most popular bands in the country, and Jackson soon became a star. He was known for his incredible singing and dancing skills, and his charismatic personality. The Jackson 5 toured the world and released several hit albums, including "I Want You Back," "ABC," and "I'll Be There."

## **Solo career**

In 1971, Jackson began his solo career. He released his debut album, "Got to Be There," which was a commercial success. Jackson continued to release successful albums throughout the 1970s, including "Ben," "Thriller," and "Bad." Thriller is the best-selling album of all time, with over 100 million copies sold worldwide. Jackson was also a successful actor, starring in the films "The Wiz" and "Moonwalker."

## **Personal life**

Jackson's personal life was often in the news. He was married twice, first to Lisa Marie Presley and then to Debbie Rowe. He had three children, Prince Michael I, Paris, and Prince Michael II. Jackson was also known for his eccentric lifestyle, including his Neverland Ranch, his pet chimpanzee Bubbles, and his plastic surgeries.

## **Death and legacy**

Michael Jackson died on June 25, 2009, at the age of 50. His death was ruled a homicide, and his personal physician, Conrad Murray, was convicted of involuntary manslaughter. Jackson's death shocked the world, and he is still mourned by millions of fans around the globe. He is

remembered as one of the greatest entertainers of all time, and his music continues to inspire people around the world.
