The Organ Grinders follows the story of Dr. David Tennant, a brilliant but troubled surgeon who is haunted by his past. When he is offered a job at a prestigious transplant center, he jumps at the chance to start over. But soon, he realizes that something is not right at the hospital. Patients are dying at an alarming rate, and Tennant begins to suspect that there is a sinister plot afoot.

As Tennant investigates, he uncovers a web of corruption and greed that reaches the highest levels of the medical establishment. He must race

against time to stop a madman who is willing to kill to protect his secrets. Along the way, he will face his own demons and learn the true meaning of justice.

The Organ Grinders The Transplant Tetralogy is a fast-paced and suspenseful thriller that will keep you guessing until the very end. With its complex characters and intricate plot, this series is a must-read for fans of medical thrillers and anyone who loves a good story.
